رسالة رئيس مجلس الإدارة والعضو المنتدب

لقد بدأت تجربتي في العمل التجاري في دولة قطر منذ ١٩٨٨ وقد حققت الكثير من المغامرات في مجال محلات الهايبرماركت والسوبرماركت وديبارتمنت ستور. ولم تأت هذه الإنجازات من فراغ ولكن من العمل الشاق الدءوب تحت القيادة الحكيمة للأمير والحكومة الرشيدة وأيضًا من خلال ثروتنا الرئيسة، ألا وهي عملاؤنا في قطر.

وتتطور اليوم احتياجات الأعمال باستمرار بسبب تسارع وتيرة التطور في مجتمعنا الرقمي والمترابط بشكل كبير. وبالتالي فمن الضروري الاستمرار في تلبية متطلبات العملاء مع جميع أنواع المنتجات المختلفة الموثوقة والمفيدة والملهمة للمجتمع، مع كونها صديقة للبيئة.
ونحن نهدف إلى إرضاء عملائنا بفضل تقديم "كل شيء تحت سقف واحد" بأسعار معقولة وتقديم خدمات العملاء. وستوفر السنوات القادمة فرص ستكون أكثر إثارة وتحديًا، حيث نواصل ريادتنا في أسواقنا الحالية وتوسعنا في أسواق جديدة. ونسأل اللّه سبحانه وتعالى أن يهدينا إلى طريق الفلاح والصلاح.

Chairman & Managing Director's Message

I started my experiment in business in State of Qatar since 1988, and I have achieved a lot of adventures in the field of Hypermarkets, Supermarkets, and Departmental Stores. These achievements did not come from nothing but from progressive hard work, under the wise leadership of the Emir and his wise government and also by our main asset that is our Customers of Qatar.

Today, business needs are constantly evolving due to the quickening pace of development in our digital and highly networked society. Thus, it is essential to continually meet customer requirements with all various types of products that are reliable, beneficial and inspirational to society, whilst being environment friendly.

We aimed to satisfy our customers by virtue of offering "Everything under one roof" at affordable prices and offering customer services. The years to come will provide opportunities, which will be even more exciting and challenging, as we continue to be a leader in our current markets and expand into new markets. We ask the Almighty Allah to guide us the right path to success and righteousness.
